

Title of Event:	FYP Competition at UNITEN			
Description:	<p>This event was an annual event conducted by the Faculty of engineering, UNITEN. The main objective was to show case the innovative student final year projects from various engineering faculties, which provides a plat form for the students to demonstrate the innovative knowledge. The event was represented by more than 25 teams. The event started with a keynote speech from the dean of engineering UNITEN at 10 am. Before that all the panel judges from industries and academic side were well briefed by Dr. Zafri, senior lecturer in the engineering faculty about the rules and the terms. Each student team was given 20 minutes time to explain about their projects which includes 5-minute Q/A session. End of the end the top three teams were selected for the awards.</p> <p>Dr. Mohamed khan from UCSI University also the vice chairman for IEEE RAS Malaysia chapter was invited as one of the panel judges representing IEEE RAS to judge 8 teams which are related to Robotics and automation. The top 3 teams were selected by him for the special award sponsored by IEEE RAS Malaysia chapter.</p> <p>The event end at 2 pm by a closing ceremony by the dean of engineering.</p>
