

Title of Event:	Workshop on Arduino and Electronic Projects for School High School Teachers			
Description:	The “Workshop on Arduino and Electronic Projects for High School Teachers” was organized on 24 th April 2019 from 2 pm to 5 pm at Block 23, UTP. The teachers are from SMK Seri Iskandar, Perak. The school has been selected as the pilot study to develop the appropriate training module that suits the demand of teachers and students and cater for the need of the Form 2 and Form 3 subjects on “Reka Bentuk Teknologi”. Around 12 teachers had participated in this workshop. The workshop covers on the introduction to Arduino and circuit construction followed by the hands-on on the Arduino project and circuit constructions.
