

Title of Event:	Scratch Programming Competition				
Description:	The “Scratch Programming competition” was organized on 24 th June 2019 as part of STEM Carnival Perak event. This competition exposes high school students from 20 schools in Perak to the basic of programming skill using Scratch, a free programming language. Each school was represented by five members in a group and they were given a challenge to develop a storyboard and build the characters of each of the member.
