

<b>Title of Event:</b>	Westlake International School Visit to UTP			
<b>Description:</b>	To introduce state-of-the-art research and technology to senior level school students and to showcase Final Year Students' project. WIS student will participate alongside UTP students in the LEGO Robotics Design Competition as well as part of the judging team. Being part of the team, they will learn about the working of the project, whereas being part of the judging team will help them to understand the judge's role as well. The event is also supported by the Robotics and Automation Society, Malaysia Chapter.
