Title of Event:	TALK ON IEEE AND THE ROLE OF ROBOTICS AND AUTOMATION IN IR4.0			
Event	<input type="checkbox"/> Physical / <input checked="" type="checkbox"/> Virtual			
Description:	<p>IEEE is the world's largest professional society dedicated to advancing technological innovation and excellence for the benefit of humanity. IEEE and its members inspire a global community through IEEE's highly cited publications, conferences, technology standards, and professional and educational activities. In this talk students not only gain the complete spectrum of IEEE Society and the importance of being a Professional IEEE Member, they also exposed to the Access essential and exclusive benefits offered to IEEE members, including technical information, networking opportunities, career development, and member discounts.</p> <p>In the engineering professional world creating a good network to build a strong career is a must. It is important for those enrolled in this subject to know the value of a professional society and gain knowledge- how to enroll and get maximum benefit out of it.</p> <p>Later Dr.Mohamed Khan briefed the audience of more than 25 students the vision, mission and the complete IEEE organization structure and its benefits. Also, the importance of IR 4.0 and the role of robotics and automation in IR 4.0 is explained to the audience and some of the projects he is handling with the concept of robotics and its applications. The highlight of the event is Robotics and automation Impact on Industries and society. Dr.M.K.A.Ahamed Khan took this opportunity to award the outstanding volunteers who played a significant role in organizing events and activities with the digital certificates.</p>
