The center has 18 old people men and women, almost all of them don't have food and proper facility to stay. We bought the items like, rice, clothes, dry biscuits, cooking oil, washing powder, dish washer worth of rm400 and donated to the care center. Also, we bought cake written IEEE DAY on the top and made one of the old ladies who is also celebrating her birthday on the same day to cut the cake and distributed the cake to all the old people. Sang birthday song and make them smile and cheer. It's a great pleasure to see the smile on the old people, all are so happy to see us shaking hands with them. Also spend valuable time discussing with them about their personal problems. It was so nice on IEEE DAY we can do such a event. There is a Proverb -[God can be seen in the smile of poor , old abandoned people]. What else we want apart from the joy we got from this great IEEE DAY event.</p>
