

IEEE vTOOLS Event Reporting

IEEE RAS Malaysia Chapter

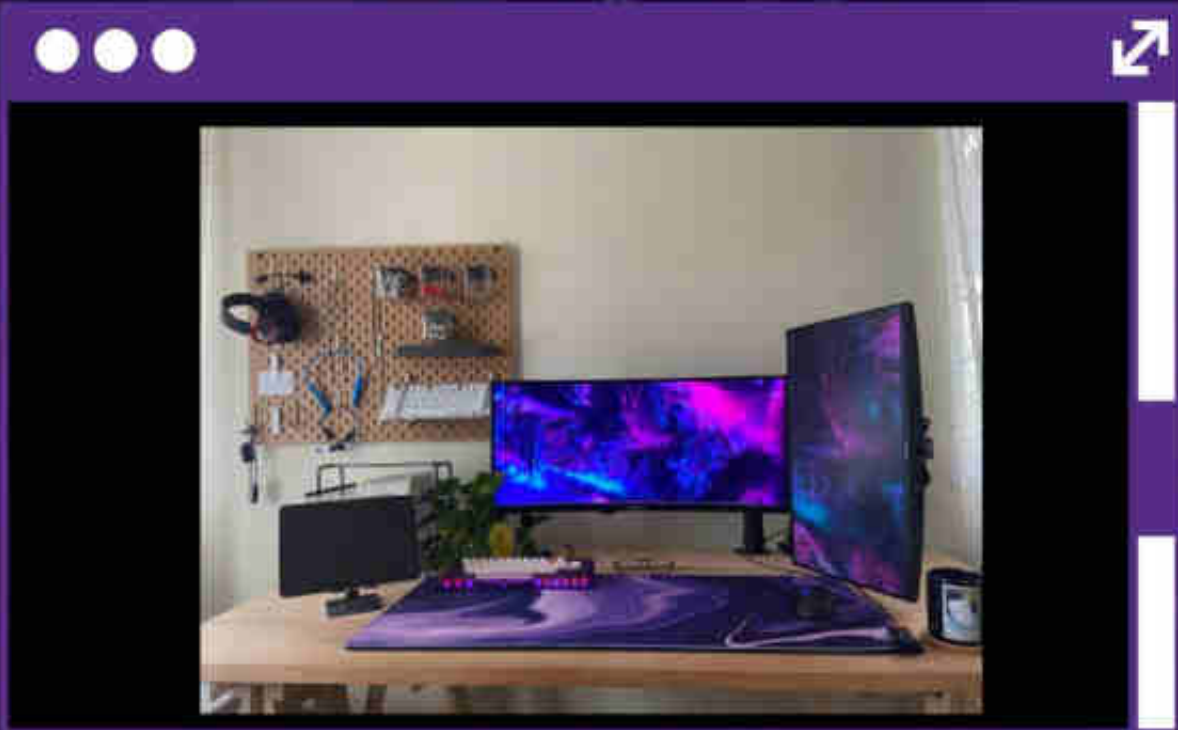

Title of Event:	TechVerse Arduino Robot Workshop			
Event	<input type="checkbox"/> Physical / <input checked="" type="checkbox"/> Virtual			
Description:	In today's education world, having a suitable PC setup is a must for the students as they will spend time in front of the PC or laptop completing their assignments or searching for information online. PC Setup competition is a platform for the participants to showcase their creativity. To submit their work, the participants need to submit the pictures or videos of their PC Setup and describe their inspiration for the setup which is related to their day-to-day study or working routine. The submitted videos and pictures were then posted on Instagram. The top 4 participants with the most likes on social media were selected as the winner. The prize is RM30 Shopee vouchers for the winners.
